Marriott.
MELBOURNE

When it comes to considering a wedding venue it is important to find the right venue, one in which you will feel comfortable and well looked after. The Melbourne Marriott Hotel offers you a stress free environment to ensure your wedding is a success and a night to remember.

Every couple envisions how special their day will be and the reception plays an important part in the success of that day. It is a celebration of their new life together, it's the beginning of a new chapter, a new verse – they are now one. At the Melbourne Marriott Hotel we pride ourselves on the flexibility of adapting a menu to your needs, your wants and desires, for every wedding, every experience is a new journey.

Our team of event management professionals will tailor a package to suit all your special wedding needs, providing full support to ensure your wedding is everything you have ever imagined.

Offering 185 rooms and suites, these large guest rooms are deeply luxurious, with Marriott's unique "Revive" bedding, extra thick mattresses, cotton-rich linen and a selection of fluffy pillows. All rooms have a spacious and elegant design with the choice of a king, queen or two double beds.

The Melbourne Marriott Hotel is perfectly located in the heart of Melbourne CBD. Surrounded by elegant architecture and breathtaking scenery, the city offers you the ideal backdrop for your beautiful wedding photos.

From the elegant design of the Regency Room to unique views offered by our Exhibition Room, we are sure to have what you are looking for on your special day.
