"Every couple envisions how special their day will be, the most important experience is the reception. It is a celebration of their new life together, it's the beginning of a new chapter, a new verse – they are now one. The first meal is something that is remembered and treasured for the rest of their lives. At the Melbourne Marriott Hotel we pride ourselves on the flexibility of adapting a menu to their needs, their wants and desires, for every wedding, every experience is a new journey."

*Kind Regards,

Your guests will be formally greeted and shown to their tables, at which stage the beverage waiter will take their order.
